

White Mountain Waldorf School

Inspiring a Love of Learning

“Celebrating Waldorf 100”

Dear Community Friend and/or Business Owner,

The White Mountain Waldorf School has been Inspiring a Love of Learning for 33 years and is celebrating with all Waldorf Schools around the world the founding of the first Waldorf School in Stuttgart, Germany in 1919. All year, schools around the world are holding special events and sending postcards decorated by the students to all other Waldorf Schools. We feel so fortunate to be part of this global Waldorf community!

To continue our celebration, it is time to think about our **18th Annual Auction**, on Friday, April 12, 2019 at Tin Mountain Conservation Center, 6:30pm. After our Annual Appeal, this is our largest fundraiser. We need YOUR support to help the auction to be a success! What can you do to support this event? Become a sponsor and/or donate an auction item or service. This is great exposure for your business or service to our Waldorf community and most importantly, supporting Waldorf education for over 70 Mount Washington Valley students.

As a non-profit organization and the only private school in the Mount Washington Valley to offer Early Childhood and Elementary Grades 1-8, the White Mountain Waldorf School relies on fundraising events to supplement its operating budget. In addition to supporting our ability to provide an affordable Waldorf education to families looking for a progressive learning experience for their children, your tax-deductible contribution of goods or services ensures the White Mountain Waldorf School can continue to offer exciting social and educational events to the community.

This Spring, our 5th grade class will be competing in Waldorf Pentathlon at the Maine Coast Waldorf School, Freeport, ME in May. The students began training this fall. The focus of Pentathlon is on movement, cooperation, and celebrating each individual's efforts and accomplishments. It's through fundraising efforts, such as the Annual Auction, that we can have the resources to help our students learn and grow through movement, participation, and exploring the greater world.

On behalf of the Board of Trustees, Faculty, Administration and Development Committee of the White Mountain Waldorf School, we invite you to take part in supporting this event and we certainly hope you will attend!

Sincerely,

Brett J. Gagnon
Business Administrator
